Maine Drilling & Blasting 55 Years and Counting!

(Gardiner, ME • March, 2021) Maine Drilling & Blasting celebrates its 55th Anniversary this year on the heels of a very atypical and challenging 2020. “The pandemic certainly tested us, but the collective efforts of our people, who re-dedicated themselves to maintaining our very high operational and safety standards, enabled us to persevere,” states Dan Werner, Company President & CEO.

2020 endurance speaks volumes for the Company’s adaptability and sustainability as they head into their 55th year of operation. Building ever-stronger relationships with partners, customers and suppliers is not only a priority for MD&B in 2021 but is a culturally driven extension of their founding principles of hard work, honesty and the highest quality service. “Our pride and our confidence that we can pull together to succeed in the face of extreme challenges has never been stronger. We’re building upon that.” Werner vows, “In 2021, we will continue to commit to safety, to leveraging new and evolving technology to better serve all our market segments, and we will look to locally support our growth in the Southeast U.S. We’re a Great Team poised for all incoming opportunities to execute for our customers during our milestone 55th anniversary year.”

Maine Drilling & Blasting is a leading provider of drilling, rock blasting and related specialty services in the Northeast, Mid-Atlantic, and Southeast United States and is one of the largest in the Country. The Company has grown to more than 450 strong, and is majority owned by its employee owners.

Recognized as a leader in the industry and a long-term contributor to the local communities it serves, MD&B offers drilling and blasting services to both the construction and quarry markets, along with a variety of specialty services including foundation services, hoe ramming, engineering, public relations, pre-blast surveys, and packaged and bulk distribution. In addition to the corporate office in Gardiner, Maine, Maine Drilling & Blasting has offices in New Hampshire, Vermont, New York, Massachusetts, Connecticut, Pennsylvania and Tennessee.
